WELCOME MESSAGE FROM THE CHAIRMAN – David Oakes

On behalf of the club may I welcome you to the friendly fixture of Euxton Girls FC versus Eastern Girls FC from New York, America.

We extend a very warm welcome to Eastern Girls FC and hope that all involved have a great morning of football.

ABOUT EUXTON GIRLS . . . Euxton Girls was founded in 2002, and now has 7 teams ranging from unders 9 to under 16s, as well as a development squad for girls who are too young for the under 9s.

THE AIM OF THE CLUB has always been to increase opportunities, awareness and participation in girls football among young people in the local community of Euxton and Chorley.

OUR OBJECTIVES ARE TO:

- introduce more young girls to football
- establish and develop school/club links
- give young girls the opportunity to carry on playing and competing
- provide a structure that will initially spot talent and then progressively encourage and develop that talent
- provide, maintain and strengthen links between clubs and local schools, county associations and local authorities

EASTERN GIRLS FC are part of the Eastern Soccer Academy, founded in 1977, based in Bedford Hill, New York, America. The Academy provides a personalized and professional soccer education with a reputation for high quality coaching staff.
